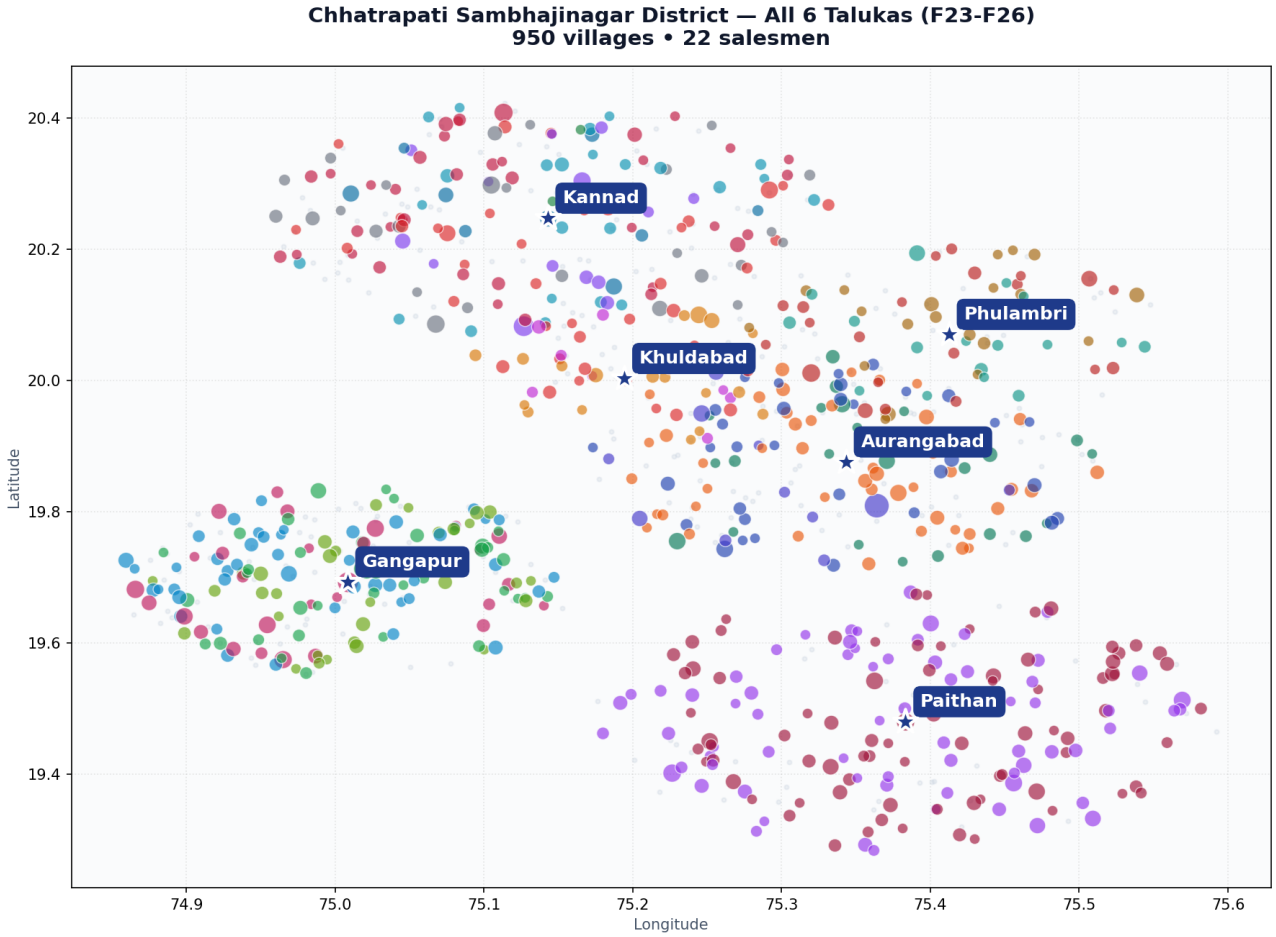
Chhatrapati Sambhajinagar Taluka Delivery Analysis

Village-level intelligence • F23 – F26



6 Talukas • 22 Salesmen • 950 Villages

Executive Summary

This report analyzes tractor delivery performance across 6 talukas of Chhatrapati Sambhajinagar district (Aurangabad, Gangapur, Kannad, Khuldabad, Paithan, Phulambri), covering 950 villages and 22 salesmen over the F23–F26 period.

Key numbers: A total of **2686** deliveries were made over four years; F26 alone saw **1079** deliveries, up from **817** in F25 (a **+32%** year-over-year growth). Of the 950 villages, **654** (69%) have received at least one tractor, and **507** (53%) had zero F26 deliveries — representing a clear expansion opportunity.

Top-performing taluka: Paithan leads with 679 total deliveries (35% of district); Paithan and Kannad show the strongest F25→F26 acceleration. Gangapur and Aurangabad (for which F23 baseline is available) show roughly **+63%** four-year growth.

Coverage insight: Pravin Chavan (Gangapur, 91% village coverage) and Mahesh Jadhav (Khuldabad, 82%) are the most efficient salesmen by coverage; Vishwas (Paithan) and Dinesh (Paithan) lead by volume with 362 and 317 deliveries respectively.

Note: F23 deliveries were only recorded for Aurangabad and Gangapur talukas; the other four talukas start from F24.
